

JUDE ELLA

FOUNDER | PRODUCER | FILM-MAKER

ABOUT

I have been a professional film-maker and cinematographer for 10 years with a passion for bringing to life unique and extraordinary visuals and remarkable stories.

I have founded 'the Atlas of Consciousness' - a purpose-driven multi-media company that believes by transforming our inner world we can fundamentally transform our outer world.

We have had one of our films screened at the United Nations, with over 60K+ views, and a global podcast with an over 2K+ listener-base.
